Uniguest Named to BusinessTN Magazine's "Hot100"

NASHVILLE, Tenn. (Dec. 1, 2009)— Uniguest™, a Nashville-based provider of print and technology solutions to the hospitality, healthcare and real estate industries, has made *Business TN* magazine's list of Hot 100 Fastest Growing Companies.

When choosing its Hot 100 honorees, *Business TN* considers such factors as "year to year revenue growth, employee growth, growth as compared to specific industry averages, and growth prospects in the coming years." Over the last three years, Uniguest has enjoyed over a 782 percent increase in revenue and a 75 percent increase in staff. The expansion of Uniguest into the digital signage industry in the first quarter of 2009 helps to position the company for continued growth into 2010 and beyond.

"It's an honor for Uniguest to be recognized by BusinessTN Magazine as an up-and-coming company and we thank them for this prestigious recognition" said Shawn Thomas, CEO and Co-Founder of Uniguest. "I truly believe our company's success stems from the commitment of our employees to bring their A-game every day, combined with a product line that spans multiple market segments that gives Uniguest the strength and ability to grow in this challenging economic marketplace."
