UNIGUEST™ RECOGNIZED BY ENTREX PCI WITH TOP TEN GROWTH AWARD

Fourth quarter year over year growth of 91% in a slow economy

Nashville, Tenn. (March 24, 2010) – Uniguest™, a Nashville based provider of print and technology solutions to the hospitality, healthcare, and real estate industries was named one the “Top Ten Growth Companies” by Entrex PCI.

Entrex Private Company Index (PCI) is a benchmarking index that measures the monthly revenue performance of private companies in North America. Entrex PCI awarded Uniguest this distinction based on Uniguest’s 91 percent increase in revenue from 2009 fourth quarter revenues in comparison to 2008 fourth quarter figures.

Shawn Thomas, CEO of Uniguest, attributes the company’s growth to remaining positive and focusing on our core business.

As an entrepreneur, Thomas is optimistic about the economy. “By nature entrepreneurs are optimists. So even in recessionary times, I always see opportunity. By focusing on minimizing debt, maintaining a strong cash flow, and deepening our scope of core products, we have been able to grow both new business and gain deeper penetration with existing customers. We also took advantage of the economy by growing through two key acquisitions.”

The Entrex PCI issues this Top Growth Award each quarter. To view recent and past winning companies, visit (www.privatecompanyindex.com).
