

Bar Board

Your Best Shot

The easy-to-update multi-media LCD screen is only limited by your imagination. Promote specials, display your menu, update customers on upcoming events and promotions or even list the drink special of the day anytime or anywhere with web access in just a few clicks of the mouse. Our design team will work with you to create a unique, customized background screen to showcase your bar or restaurant. Then choose from several preformatted layouts and simply add your text.

build your brand integrity

display your daily menu

promote your specials and upcoming events

easily update from anywhere with web access
