

Guest Printing Services

**Print documents and web pages
from your notebook to the hotel printer.**

Printing from your notebook

1. Connect to the Internet.
2. In your web browser, go to:
www.printeron.net/fairfieldinn/lexingtonpark
3. Enter a 4-10 digit numeric release code and select a document or web page to print.
Then click the print button to submit your print job.

Retrieving your print job

To retrieve your print job, simply go to the Business Center and enter your 4-10 digit numeric release code on the keypad located next to the computer desktop.

Printing from a wireless device

To print an email message or attachment from your wireless device simply forward the email to 350371327@printspots.com

You will receive an email with your release code to be used at the keypad to securely obtain your print job.

Free print wizard downloads for your PDA are available at the PrinterOn download center at www.printeron.net.
