

# UNIGUEST FITNESS KIOSKS

Upgrade your fitness center with a custom fitness kiosk from Uniguest and provide your customers with an interactive workout experience

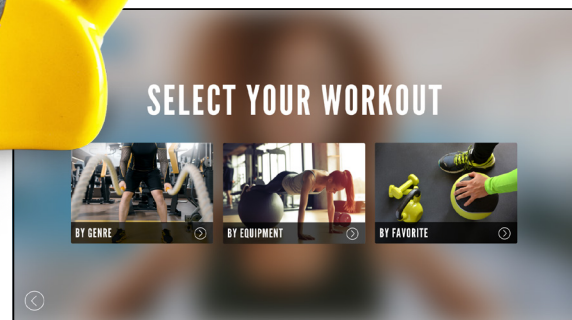

The Uniguest Fitness kiosk gives your customers instant access to video tutorials and timed training programs for your fitness equipment. Improper usage of workout facilities is not only harmful to your guests, but can also cause damage to the equipment itself, affecting your bottom line.

## BENEFITS

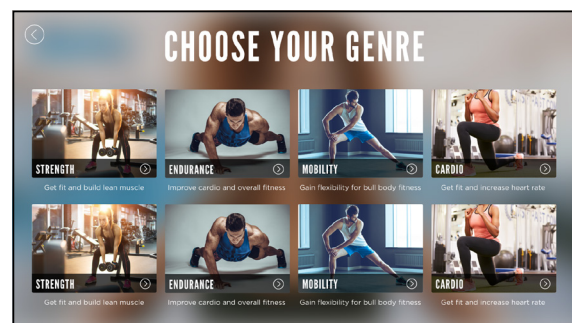

- Video or graphic Instructions for your equipment
- Lower liability
- Capture metrics from your guests
- Interactive environment that keeps content fresh

## FEATURES

- Available in multiple sizes
- Recommended 23" touch screen
- Covered by 24/7/365 support
- Future proof software technology

EQUIPMENT TUTORIAL VIDEOS

TIMED TRAINING CIRCUITS

*We are currently only taking orders for Hilton and Tru Hotels, but contact us to learn more about creating a custom fitness solution for your brand.*
